janet burroway's bestselling *Imaginative Writing: The Elements of Craft* explores the craft of creative writing in four genres: fiction, poetry, drama, and creative nonfiction. A trade author as well as a professor of creative writing, burroway brings her years of teaching and writing to this book. Try this: exercises appear throughout each chapter, provocative and fun. These exercises help writers develop the specific writing skills discussed within the text. Working toward a draft, exercises encourage writers to develop their ideas into complete drafts in response to reviewer requests. The preface invitation to the writer has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price.

The Pulitzer Prize-winning author shares his insights into and passion for the creation and experience of fiction with total openness. Publishers Weekly starred review: Robert Olen Butler, author of *Perfume: River a Good Scent from a Strange Mountain* and *A Small Hotel*, teaches graduate fiction at Florida State University. His version of literary boot camp in *From Where You Dream* butler reimagines the process of writing as emotional rather than intellectual and tells writers how to achieve the dreamspace necessary for composing honest, inspired fiction. Proposing that fiction is the exploration of the human condition with yearning as its compass, butler reinterprets the traditional tools of the craft using the dynamics of desire, offering a direct view into the mind and craft of a literary master. *From Where You Dream* is an invaluable tool for the novice and experienced writer alike. Incisive and provocative, butler's tutorials are a must for anyone even thinking about writing fiction, and readers too will benefit from his passionate exhortations. **Booklist**

In this lively and accessible book, Alyce McKenzie explores how fiction writers approach the task of writing novels, how they develop their ideas, where they find their inspiration, and how they turn the spark of a creative notion into words on paper that will captivate the masses. McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful, well-crafted sermons. *Novel Preaching* offers a wealth of advice from successful fiction writers, including Isabelle Allende, Frederick Buechner, Julia Cameron, Annie Dillard, Natalie Goldberg, Stephen King, Toni Morrison, Joyce Carol Oates, and Melanie Rae Thorn, and also includes a number of sample sermons from McKenzie herself.
